

NEXUS Automotive International congratulates

Inteliam freshly awarded the UNICLEN Grand Prix de l'Espoir

Geneva, November 29th, 2024 – NEXUS Automotive International warmly congratulates Inteliam on winning the Prix de l'Espoir on Thursday 21st November at the UNICLEN Grand Prix, which rewards companies less than seven years old based in Clichy-la-Garenne, Levallois and Neuilly-sur-Seine.

NEXUS Automotive International, one of whose core values is entrepreneurship, has supported Inteliam since its creation in 2020. Since then, Inteliam has been actively involved in rating members of the NEXUS community as part of the [NEXUS Climate Day](#) initiative, the aim of which is to share best practices and create new standards in terms of sustainable development in the automotive aftermarket industry.

The first rating solution 100% dedicated to the automotive sector, Inteliam supports distributors in the automotive aftermarket in their progress towards rapid, responsible and sustainable growth. Inteliam already cooperates with several hundred companies around the world, contributing to innovation, transparency and collaboration within the automotive industry.

Thanks to its rigorous methodology and sophisticated technology, Inteliam is the partner of choice for aftermarket distributors to accelerate their responsible development strategy and prepare for future CSRD extra-financial reporting obligations.

Antoine Soulier, Managing Director of Inteliam, said: *"It is not just a reward, but an encouragement to continue moving forward and driving the key changes needed in the automotive aftermarket industry".*

About Inteliam

Inteliam is a company evaluation and rating solution for the automotive aftermarket sector. Inteliam was created at the end of 2020 by a dozen industry players, distributors, equipment manufacturers and groups, including NEXUS Automotive International. Inteliam currently assesses companies in nearly fifteen countries. Inteliam is headquartered in Lyon, France.

About NEXUS Automotive International

Established in 2014 by CEO Gaël Escribe, NEXUS Automotive International, the automotive aftermarket (AA) company, is shaping the future of the AA.

Thanks to an entrepreneurial, innovative and agile mindset, N! disrupts the industry bringing innovative solutions for a more sustainable, digital and connected mobility. At the same time, it supports its community of more than 498 members in 138 countries, allied with 76 global suppliers, by providing services to accelerate their growth.

N! is offering new approaches and new ideas for a connected, global and consolidated world of tomorrow to accelerate the success of car and heavy-duty spare parts and services distributors and manufacturers, through 16 regional structures that connect them.

NEXUS' consolidated turnover is expected to reach more than 46 billion euros in 2024.
