

Historical victory of the Carzilla Elf racing team at Tour Auto 2024!

NEXUS proudly supports the winners

Etienne Bruet and Marc Jay, along with their 1955 MGA!

Geneva, 2024, April 29th - **The Tour Auto is one of the most prestigious historic events in the world, bringing together over 240 exceptional cars on the most beautiful roads of France from Paris to Biarritz, from April 23 to 27. After only 5 participations to the Tour Auto, the Carzilla Elf racing team wins the overall competition in the regularity category.**

The regularity category is won this year by Etienne Bruet and Marc Jay. Etienne Bruet is one of the historic voices of the *Turbo* automobile magazine on French TV channel M6, well known to all French viewers. His co-driver Marc Jay has completed the 12 Tour Autos he participated in and meticulously prepared his 1955 MGA for this 2024 edition.

"After 5 years of supporting the Carzilla Elf racing team, and after class victories, it is the first time that a car supported by NEXUS crosses the finish line as the winner," comments Gaël Escribe, CEO of NEXUS Automotive International. "There is no victory without absolute precision and perfect reliability, and we are happy to be associated

with the team's partners, who promote the original quality parts with which these rolling treasures were born."

For NEXUS, this commitment to the classic vehicle universe allows sharing the passion for automobiles with as many fans as possible, promoting brands and manufacturers of quality classic parts, while highlighting the aftermarket sector through one of their most appealing showcases: the vintage cars.

Alongside NEXUS, the partners of the Carzilla Elf racing team are Bosal, Bosch, Bridgestone, Calorstat, Clas, Elring, Elf, Delphi, Garnazelle, Gates, KYB, Mecafilter, Mintex, NGK, NRF, SKF, Philips, and Wynn's.

About NEXUS Automotive International

Established in 2014 by CEO Gaël Escribe, NEXUS Automotive International, the automotive aftermarket (AA) company, is shaping the future of the AA.

Thanks to an entrepreneurial, innovative and agile mindset, N! disrupts the industry bringing innovative solutions for a more sustainable, digital and connected mobility. At the same time, it supports its community of more than 457 members in 137 countries, allied with 76 global suppliers, by providing services to accelerate their growth.

N! is offering new approaches and new ideas for a connected, global and consolidated world of tomorrow to accelerate the success of car and heavy-duty spare parts and services distributors and manufacturers, through 16 regional structures that connect them.

NEXUS' consolidated turnover was more than 42 billion euros in 2023.
