Based in the North of Brazil, the company has 42 point of sales mainly split in 2 states: Rondônia (35 stores, including 18 auto centers, 10 truck centers and 1 distribution center) and Acre (6 stores). In addition, Pemaza has also 1 tire and parts store in the state of Mato Grosso.

Pemaza Ltda will join NEXUS on January 31st, 2019

EUROPE

RENOVATIO (France)

www.renovatio-automotive.com

Renovatio is a newly-appointed French start-up, supported by NEXUS as a business incubator. The company aims to become the leading distributor of spare parts and service for classic cars in Europe. Renovatio offers a range of products for all brands and vehicles from the 1940's to the 1990's promoting aftermarket brands related to brand heritage, value and quality.

With the objective of bringing structure to today's fragmented market, Renovatio is the first group of classic parts distributors in Europe and developed the first online channel for classic parts marketplace (Bakelit.eu – Marketplace for classics).

Renovatio will join NEXUS on January 31st, 2019

DZF TRADING (GUANGZHOU) CO LTD (China)

www.dzfparts.com

Established in 2006, DZF Trading (Guangzhou) Co Ltd is a Chinese auto parts distributor dedicated to supplying OE and premium quality parts to its 146 shareholder customers in 30 different provinces in China. DZF is specialist for chassis and engine parts, electronics, thermos and cooling systems, and oil and lubricants. Together with its key shareholders, DZF developed an internal e-commerce platform called ZPPARTS which facilitates the interactions and business among its shareholders.

DZF Trading (Guangzhou) Co LTD will join NEXUS on January 31st, 2019

JD.com

Qiguangxing (Beijing) Information and Technology Co Ltd 北京汽广行信息技术有限公司 (China)

www.che.jd.com

VANLI GROUP OF COMPANIES (Malaysia)

www.vanli.com.my

Vanli Group of Companies was established in 1978 in Malaysia. The company has several warehouses all over the country, covering 9,000 square meters to serve more than 4,000 customers with the collaboration of 200 employees. Vanli is primarily a genuine parts player and covers all of the major Asian brands but includes several leading aftermarket parts brands in its portfolio.

Vanli group of Companies will join NEXUS on January 31st, 2019

On behalf of the **NEXUS** team, I extend a very warm welcome to our new **N!** Members. We are particularly delighted to be adding such high quality companies to the NEXUS Community in these important regions.

Also, with the inclusion of JD.com, we are extending NEXUS presence in the digital world which is a strategic objective for us and opens new channels for **N!** members and suppliers into the aftermarket

With my best regards,

Chief Executive Officer

WHEREVER YOU RUN YOUR AFTERMARKET BUSINESS IN THE WORLD, NEXUS IS THERE TO SUPPORT YOU
